Dear Education Office Volunteers,

Thank you so much for your willingness to help out in the Education Office on Wednesdays! Besides counting offering and recording attendance, you have the important role of being Grace's "friendly face" for teachers, parents and students who come through the door.

If you are new to this job, I hope you'll take some time to look around the Education Office to familiarize yourself with what's in the bins and cabinets. Feel free to snoop so you can help direct teachers when they're looking for scissors, ribbon, markers or other craft supplies. (Items in the Education Office closet are more for long-term storage and not for GBS general use.)

Attached is a schedule that takes us all the way through the school year. If something comes up and you can't work the day you're assigned, please call someone else on the list to get your own replacement. This schedule will be posted on the *Schedules* page of our Grace website: [www.graceofav.org](http://www.graceofav.org).

Lois Williams, Laurel Jacobson or I will always be around the church on Wednesday evenings, so let us know if something comes up and you need help. You can also get in touch with us during the week by phone, 952-432-7273, or e-mail, [childrens.ed@graceofav.org](mailto:childrens.ed@graceofav.org).

Thank you again for helping make Grace Bible School run smoothly! We really appreciate your assistance!
