November 2011

Dear Friends,

Your Eucharistic Assistant Schedule is on the reverse side. We're pleased to welcome several new people, and thankful for all who continue to serve.

Please check in with the **Pastor** 15 minutes before the service to receive instructions on where you serve. And thank you for obtaining a substitute when you are not able to be here. Please notify the office by Thursday noon of the change.

The pastors have asked that those who are helping with communion wash their hands just prior to serving. Please do this during the offering. You may follow the pastors as they exit if you wish.

Come to the altar area immediately as the congregation begins to sing "Lamb of God," after the consecration. You will be served the sacrament and then be ready to serve the people. As you distribute the wafers, please say "This is the body and blood of Christ, given and shed for you." For the blessing of young children please say "The Lord bless you now and always." Gluten free communion wafers are on your tray. They are the dark colored wafers. If someone requests one, please do not handle it. Just turn the tray so they can take one themselves.

Please notify me if your email or telephone number changes or if you have any questions. Just a reminder that this schedule will be posted on Grace's home page, www.graceofav.org. Thank you for your faithful service to Grace!

In Christ,

Pat Johnson
